Product performance

● Size of the bubble: gross operating income per product

Key elements for each product

A

Consumer loans

Enhancement of value proposition resulting in sustained growth both in new lending and market share.

Cards

Strong growth of turnover, in line with the market.

Business Banking lending & working capital

New lending increasing with slight decrease of stock market share due to more focus on prioritised customers.

PoS

Sustained growth both in turnover and market share.

B

Mortgages

Gaining market share in a downtrend market.

C

Mutual funds

Our savings & investment portfolio is adjusted to customers needs and investment profiles. Other products (i.e. structured deposits) offset lower net inflows in mutual funds.

Insurance

Lower upfront payments in life insurance premiums originated together with mortgages due to new product mix.

¹ Stock market shares variation: latest available data (Mutual funds 1Q23 vs 4Q22; rest of products 4Q22 vs 4Q21). AuMs in mutual funds; life premiums in insurance; performing loans in mortgages, consumer loans and Business Banking lending (includes Corporate Banking and excludes Public sector); yearly turnover in cards and PoS. ² Origination variation: 1Q23 vs. 1Q22. Net inflows in mutual funds; new premiums in insurance; new lending in mortgages and consumer loans; new lending and working capital in Business Banking; turnover in cards and PoS.

Disclaimer

This presentation (the "Presentation") has been prepared and is issued by, and is the sole responsibility of, Banco de Sabadell, S.A. ("Banco Sabadell" or "the Company"). For the purposes hereof, the Presentation shall mean and include the slides comprised in this document, any prospective oral presentations of such slides by the Company or its Representatives (as defined below), as well as any question-and-answer session that may follow such oral presentation and any document or informative materials distributed at, or in connection with, any of the above.

The information contained in the Presentation does not purport to be comprehensive and has not been independently verified and some of the information is in summary form. No representation or warranty, express or implied, is made by Banco Sabadell or any of its affiliates (Banco Sabadell Group), nor by their directors, officers, employees, representatives or agents (the "Representatives") as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions expressed herein. None of Banco Sabadell nor any of its affiliates, nor their respective Representatives shall have any liability whatsoever (in negligence or otherwise) for any direct or indirect loss, damages, costs or prejudices whatsoever (including, but not limited to, consequential, reputational, loss of profits, punitive or moral) arising from the use of the Presentation or its contents or otherwise arising in connection with the Presentation, save with respect to any liability for fraud, and expressly disclaim any and all liability whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise, in connection with the accuracy or completeness of the information or for any of the opinions contained herein or for any errors, omissions or inaccuracies that may be contained in the Presentation.

Banco Sabadell cautions that this Presentation may contain forward-looking statements and estimates, forecasts, targets or projections with respect to the business, financial condition, results of operations, strategy, plans and objectives of the Banco Sabadell Group. While these forward-looking statements and estimates, forecasts, targets or projections represent Banco Sabadell Group's current judgment on future expectations concerning the development of its business, a certain number of risks, uncertainties and other important factors could cause actual results to differ materially from Banco Sabadell Group expectations. These factors include, but are not limited to, (1) market situation, macroeconomic factors, governmental, political and regulatory trends; (2) movements in local and international securities markets, currency exchange rates and interest rates; (3) competitive pressures; (4) technical developments; (5) changes in the financial position or credit worthiness of Banco Sabadell Group's customers, obligors and counterparts; (6) the potential economic impact from the crisis related to Covid-19 and (7) developments related to the military conflict between Russia and Ukraine. These and other risk factors published in Banco Sabadell Group past and future reports and documents, including those filed with the Spanish Securities and Exchange Commission ("CNMV") and available to the public both in Banco Sabadell's website (www.grupbancsabadell.com) and in the CNMV's website (www.cnmv.es), as well as other risk factors currently unknown or not foreseeable, which may be beyond Banco Sabadell's control, could adversely affect our business and financial performance and cause actual results to differ materially from those underlying the forward-looking statements and estimates, forecasts, targets or projections. Accordingly, undue reliance should not be placed on any forward-looking statement contained in this Presentation.

The information contained in the Presentation, including but not limited to forward-looking statements and estimates or projections, is provided as of the date hereof (unless they are referred to a specific date) and does not claim to give any assurance as to future results. No person is under any obligation to update, complete, revise or keep current the information contained in the Presentation, whether as a result of new information, future events or results or otherwise. The information contained in the Presentation may be subject to change without notice and must not be relied upon for any purpose.

This Presentation contains financial information derived from Banco Sabadell Group's unaudited financial statements for the first quarter of 2023. Financial information by business areas is presented according to International Financial Reporting Standards (IFRS) as well as internal Banco Sabadell Group's criteria as a result of which each division reflects the true nature of its business. These criteria do not follow any particular regulation and could include estimates and subjective valuations which could represent substantial differences in the information presented, should a different methodology be applied.

In addition to the financial information prepared in accordance with the IFRS, this Presentation includes certain Alternative Performance Measures ("APMs") as defined in the Commission Delegated Regulation (EU) 2019/979 of March 14, 2019 and in the Guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415es). The APMs are performance measures that have been calculated using the financial information from Banco Sabadell Group but that are not defined or detailed in the applicable financial information framework and therefore have neither been audited nor are capable of being completely audited. These APMs are used to allow for a better understanding of the financial performance of the Banco Sabadell Group but should be considered only as additional information and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Banco Sabadell Group defines and calculates these APMs may differ to the way these are calculated by other companies that use similar measures, and therefore they may not be comparable. Please refer to the quarterly financial Report (<https://www.grupbancsabadell.com/corp/en/shareholders-and-investors/economic-and-financial-information.html>) for further details of the APMs used, including its definition or a reconciliation between any applicable management indicators and the financial data presented in the consolidated financial statements prepared under IFRS.

Market and competitive position data in the Presentation have generally been obtained from industry publications and surveys or studies conducted by third-party sources. Peer firm information presented herein has been taken from peer firm public reports. There are limitations with respect to the availability, accuracy, completeness and comparability of such data. Banco Sabadell has not independently verified such data and can provide no assurance of its accuracy or completeness. Certain statements in the Presentation regarding the market and competitive position data of Banco Sabadell are based on the internal analyses of Banco Sabadell, which involve certain assumptions and estimates. These internal analyses have not been verified by any independent source and there can be no assurance that the assumptions or estimates are accurate. Accordingly, undue reliance should not be placed on any of the industry, market or Banco Sabadell's competitive position data contained in the Presentation.

The distribution of this Presentation in certain jurisdictions may be restricted by law. Recipients of this Presentation should inform themselves about and observe such restrictions. Banco Sabadell Group and their Representatives disclaim any liability for the distribution of this Presentation by any of its recipients.

Banco Sabadell Group and their Representatives are not nor can they be held responsible for the use, valuations, opinions, expectations or decisions which might be adopted by third parties pursuant to the publication of this Presentation.

No one should acquire or subscribe for any securities or financial instruments in the Company on the basis of this Presentation. This Presentation does not constitute or form part of, and should not be construed as, (i) an offer, solicitation or invitation to subscribe for, acquire, sell, issue, underwrite or otherwise acquire any securities or financial instruments, nor shall it, or the fact of its communication, form the basis of, or be relied upon in connection with, or act as any inducement to enter into any contract or commitment whatsoever with respect to any securities; or financial instruments or (ii) any form of financial opinion, recommendation or investment or financial advice with respect to any securities or financial instruments.

By receiving or accessing to this Presentation you accept and agree to be bound by the foregoing terms, conditions and restrictions.
